January 1, 2010

Dear Friends and Supporters:

Last year, we were very excited about having 29 teams playing at our beautiful Softball Complex at the Fairgrounds on Cleveland Avenue. However, as with any organization, there are costs involved in running and maintaining that organization and ours is no exception. Our organization relies on fundraisers as a means to meet our financial obligations, such as our debt for the new stadium lights, utility bills and grounds maintenance.

One of our biggest fundraisers this year was the Basket Bingo held this past spring. In order to raise additional funds for our association, we are once again scheduling a Basket Bingo fundraiser for May 2nd, 2010 at the Williamsport Fire Hall. Doors will open for dinner at 11 A.M. Bingo will start promptly at 1:30 P.M.

As an integral part of our fundraising efforts, we are requesting individuals, teams, and area businesses to sponsor a basket so that we can maintain excellent condition of the Softball Complex.

Every basket will contain many goodies and contain a business card (supplied by the sponsor) or a card we design and put in the basket. These baskets are "retired" baskets and will cost \$175.00, which will cover the cost of the basket, the items we fill it with, along with some bingo supplies. We are playing 22 games and would like to have as many sponsors as possible.

We also have a few raffle baskets that we would like to have sponsors for, their cost is \$300.00 per basket. If you are unable to sponsor a filled basket, maybe you could be a partial sponsor with a monetary contribution of \$100, \$75 or \$50 towards the cost of a basket.

Would you please consider helping us to continue to maintain the softball complex by sponsoring a basket? For additional details, please contact me at 301-223-4556 or Jackie Kelley at 301-393-5353.

We wish to thank you in advance for your support. The Hagerstown Fairgrounds Softball Association is fortunate to have supporters such as you.

Mike Kelbaugh  
President
