Dear Fellow Golfer:

As president of the Hagerstown Fairground Softball Association and the Hagerstown Area Church Softball League, I would like to think we are connected with God! However, all our efforts at seeking to get Him to make the sun stand still, as He did for Joshua in the Old Testament, have so far come to naught. To host more teams in our league, we need more daylight time. Since we cannot expect God to upset the universe just for us, we are motivated to add stadium lights to the fantastic softball complex at the Hagerstown Fairgrounds.

The Fairground Complex has been a gathering place for the greater Hagerstown and Washington County community for generations. Not only has it been a treasure for local people, but it also has been a location attracting many visitors from everywhere to sponsored events. The addition of field lights will not merely be a benefit for our league; it will also be a benefit to other leagues in the community, and make it possible to host regional softball tournaments. For this reason in particular, the purposed project has received the endorsement of the Hagerstown-Washington County Convention and Visitors Bureau.

God has blessed us with the ability to raise the initial funds to enable us to install lights over one field already. However, we owe \$19,225 per year over the next Three years to finish paying off their costs. Our dream is to raise enough funds to illuminate two additional fields a cost of \$119,000 per field. Since our league is steadily adding more teams each season, our goal is to get lights over the remaining fields as soon as possible.

One way we are raising funds is by sponsoring fundraisers like this annual golf tournament. We hope you will consider helping us meet our goal by participating in this year's tournament.

Sincerely,
Mike Kelbaugh
